McMillan Remodels Wins Remodeling Award

Continuing to set new standards of professionalism, remodeling companies from across the United States were honored with awards at the fifteenth annual Chrysalis Awards for Remodeling Excellence on June 5th at the Cobb Galleria Centre in Atlanta during the Southern Building Show.

McMillan Remodels won the National Award in the Insurance Restoration category. The project was rebuilding a Kitchen destroyed by fire. This is the third Chrysalis Award for McMillan Remodels in, and their second National Award.

Judged by editors and writers of *Better Homes & Gardens*, *Woman's Day*, *Southern Living* and *Houseplans.com*, the winners were selected from over 526 entries. The entries were judged on overall design, the creative use of space and materials, and the degree to which the project enhanced the original structure.

"To win an award in this highly competitive category is quite an achievement, and the National Award is the top honor," says Ken Kanline, Director of the Awards. *"Winning multiple awards is difficult to do. This speaks to their commitment to quality on every project."*

The Chrysalis Awards program, begun in 1994, recognizes the nation's best work in seventeen general categories of residential remodeling, as well as regional and national Remodeler of the Year winners.
